I wasn't finished.

>be me, teaching in china

>meet this 20 year old girl on a social app

>walk around her campus for an hour or so first time meeting her in person

>lead her up to the rooftop of her university library

>start teasing her through her clothes, getting very physical very fast

>she says she has a boyfriend, she shouldn't do this >lead her into a utility room on the roof.

>while she's looking out a window, just rip her pants down to her ankles

>no panties >she's wet

>tell her not to move

>spread her hairy cheating chinese cunt open and fuck her hard.

>take pics

>cum on her back

>she loves every minute of it like a filthy whore.

>send her back to her boyfriend sticky with cum

>you're about to leave China.

>she agrees to meet you one last time

>arranges to meet at the metro stop, you think she's coming over

>she gets there and says she only has 30 minutes and has to get back to her boyfriend but you two can "hang

you take her for a short walk

you find some bushes and a small semi-hidden place just next to the station

>she says it's a pretty day and that she missed you

>without a word you turn her around drop her to her knees in front of you, her jeans in the dirt. >she asks what you're doing and struggles

you pull down her pants and force your way in raw

>she's bucking to get away, but you continue

>she starts to like it and moan softly

>you can see people walking to and from the station through the bushes.

>she's moaning louder now

>all the sudden you see a subway car full of passengers pass on the tracks overhead not 100 feet away

>she looks up and makes eye contact with all the people staring down at her, watching her getting fucked in the bushes by a foreigner

>she tries to get away

>her struggle clenches your cock and makes you bust inside her

>she gets up, dirt on her knees, sweaty, with cum oozing from her little cunt
> you walk away and hop on the next train and leave her there, used up like the cheating whore she is.
